## **La Posada Hotel in Laredo, Texas is Attorneys’ ‘Hotel of Choice’ with New Club Level, Spacious Suites and Convenient Courthouse Location**

**LAREDO, TEXAS (Aug. xx, 2007)** – Boasting a convenient locale that is steps from county and city courthouses, the historic, resort-like La Posada Hotel on the banks of the Rio Grande in Laredo, Texas is welcoming attorneys with a \$15 million makeover that includes floor-to-ceiling renovations, a luxurious new Club Level, beautifully-appointed suites, and more. La Posada is located at 1000 Zaragoza Street in downtown Laredo.

“La Posada is the lawyer community’s hotel of choice,” said Gene Belmares, Director of Sales & Marketing. “It is the only luxury, full-service hotel in Laredo that is within walking distance of the courts, and recent upgrades and enhancements combine with gracious service to offer attorneys the ideal guest experience.”

According to Belmares, the hotel’s new luxurious and lawyer-friendly Club Level includes 22 spacious and beautifully-restored guestrooms with authentic Spanish contemporary design, furniture by local artisans, fine artwork, and luxurious finishes throughout. Complimentary coffee is provided throughout the day, and beer, wine and hors d’oeuvres – also complimentary – are available every evening. Guests enjoy wide screen TV and the latest technology with free high speed wired and wireless internet service. In addition, guests have private access to the floor and a full-time guest services agent is available. The hotel’s 58 suites have also been renovated with elegant interiors and the latest technology.

Of additional interest to attorneys is La Posada’s new full-service complimentary business center and 15,000 square feet of flexible meeting space.

While the original 1916 façade remains the same, the hotel’s reconstruction runs the gamut from a newly designed lobby and contemporary Spanish public spaces including the award-winning Tesoro Club and the Tack Room Bar & Grill, to a new, fully-equipped fitness center, two renovated swimming pools – one with the resort’s famous Bougainvillea swim-up bar – and spectacular courtyards and grounds.

La Posada and the surrounding locale provide myriad recreational, sports and cultural activities, including day-rate privileges at Laredo Country Club for golf and tennis. Complimentary airport shuttle and covered on-site complimentary parking are available.

La Posada was recently named "Best Hotel" by the Texas Travel Industry Association (TTIA). The hotel also earned TTIA's "Best Dinner" award for its elegant Tesoro Club restaurant.
